

UX/UI DESIGNER

ALEX ANDREA

Happy Elephant

ELEPHANTS
ETHICALLY.

Not all elephant tours are created equal. Luckily, HAPPY ELEPHANT provides up-to date information on all the best places to interact ethically with elephants in Southeast Asia.

BIOGRAPHY

I am a Seattle-born UX/UI designer. In a world of superfluity, I believe we should surround ourselves only with what is meaningful, deliberate, and delightful — including the products and technology we use. That is why I pursue beauty in both form and function, prioritizing simplicity and efficiency in my designs.

EDUCATION

University of California, Irvine (2018)
UX/UI Bootcamp Certification

University of Washington, Seattle (2014)
Bachelor of Science in Physiology
